Today we are going to explore the sound of everyday objects!

What are my glasses made of?

Open our Scratch patch, and let's start!!

Click on full screen mode to start!

First, tap on the pictures and listen to their sound! Guess which materials they are made of!

sounds like the knocking on a door, I think it is wood!

Grab the object in the middle. Move it on top of the correct material, now listen to it!

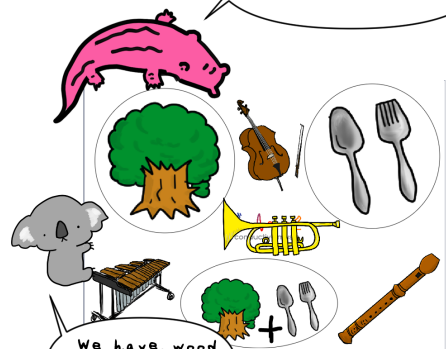

What are windows made of, and what about bells?

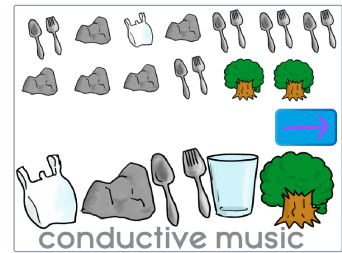

Congratulations for completing the material challenge!

Next, can you name the musical instrument, and match it to the correct material?

We have, wood Metal, wood & metal...

Let's play a song with these materials!! Tap the pictures, follow the score at the top!

Switch to the next song by clicking on the blue arrow!
